

Haginaa Kidul (*Helping to Grow*) Vocational Training Scholarship

APICDA is offering a limited number of NEW vocational training scholarships. Awards are available up to \$2,000 each for the remainder of 2020.

APICDA and its board recognize the interconnectedness of students, families and communities within the Aleutian/Pribilof region. We believe that expanding access to education and training offerings beyond CDQ member communities will help increase opportunities for networking, collaboration and information sharing, and in turn will help grow and strengthen our regional economy.

Is this scholarship program right for me?

- 1.** Are you a full-time, permanent resident of an APICDA CDQ member community; Akutan, Atka, False Pass, Nelson Lagoon, Nikolski, St. George or one of the following non-CDQ Aleutian/Pribilof region communities: Adak, Cold Bay, King Cove, Sand Point, or Unalaska?
- 2.** In one or more months from now, are you planning to attend a certified vocational school or training program?
- 3.** After training, will you have potential employment opportunities and/or make contributions to your community or the Aleutian/Pribilof region?

If you answered yes to each of the above questions, apply for a scholarship.
